RE: Fort Lewis Mountain Estates, Virginia

Dear Mr. Kelly:

Thank you for the tour of Fort Lewis Mountain Estates. To say the work you and you staff have done there is outstanding would be an understatement. Fort Lewis Mountain Estates is the place to be. Nothing in the area compares.

As a result, we at Timeless Mountain Homes would like to become a part of your development. You have a quality development and we represent and build the finest log home product in the Americas—True North Log Homes. All of our homes are custom design; so we like you, will give your clients the exact result they want.

We offer to the first two buyers in your development a True North Log Home at absolute cost and to build the home for the buyer at no profit to Timeless Mountain Homes. Why we want to do this is no secret. We are the highest quality home and we like to be associated with developments who match our standards. We know you will attract buyers who will appreciate the quality of a True North Home. We believe of our offer is a win for the first two buyers in Fort Lewis Mountain Estates, for Fort Lewis Mountain Estates and for Timeless Mountain Homes.

Your buyers may not be familiar with True North Log Homes or Timeless Mountain Homes; so I am attaching a couple of information pieces and our two websites. We wish you the best of luck with your fine endeavor and we look forward to becoming a part of it.

Sincerely,

Bill Fagan
